THE CAMP NURSE

All of our Camp Nurses are certified/practicing LPNs or RNs, medical doctors, or paramedics.

IN CASE OF AN EMERGENCY

In case of an emergency, the parents/guardians listed on the camper's application will be contacted first. However, should the parents not be available at the time of the call, a Senior Staff Member will call the Emergency Contacts listed on their application.

The nearest hospital to the camp is the Pinawa Hospital, which is a 20 minute drive from the camp.

FOOD SERVICES

Due to allergies, please do not bring ANY food or snacks to the Retreat.

FOOD ALLERGIES & SPECIAL DIETS

We are able to accommodate some special requests based on dietary needs. Please ensure that we know about any food allergies or special diets at least 2 weeks prior to their camp session.

We charge a \$30 additional cost for Retreaters who require a special diet (this allows us to purchase the necessary ingredients required).

We will do our best to ensure there is no cross-contamination in the process of special diet food preparation and that allergies/medically diagnosed diet restrictions are taken seriously. But, as in any other food industry, there is always the chance that ingredients may have come into contact with any specific allergen at any given point.
